

Women's Political Participation Database

US and International-focused

U.S.-focused

Center for American Women and Politics (CAWP)'s [Women Elected Officials](#)

- Represents the most complete collection of information anywhere in the world about women elected officials in the United States. The database includes full historical listings for women who have held office at the congressional, statewide elected executive, and state legislative levels nationwide
- Ability to search by State, name, position, level of office, party, race/ethnicity

Represent Women's [Gender Parity Index](#)

- Scores women's representation at the local, state legislative, state-wide executive, and federal levels and assigns each state a grade based on its performance.
- [Gender Parity Index report](#) (yearly)
- [Gender Parity by State](#) (State Grades)
- [International Research](#), interactive dashboard tracking women's representation

Status of Women in the States' [Political Participation](#)

- Provides data on women's progress in 50 states, the District of Columbia and the United States overall.
- Spotlights on older women, millennials, women of color, immigrant women, same-sex households, women in unions available
- *Data available till 2015**

International-focused

Council of Foreign Relation, [Women's Power Index](#)

- ranks 193 UN member states on their progress toward gender parity in political participation. It analyzes the proportion of women who serve as heads of state or government, in cabinets, in national legislatures, as candidates for national legislatures, and in local government bodies, and visualizes the gender gap in political representation.

Inter-Parliamentary Union's [Data on Women](#)

- [Monthly ranking of women in national parliaments](#)
- [Global and regional averages of women in national parliaments](#)
- [Women in Politics: 2020](#)
